RANDY STRACHAN

Randy
Chemistry wouldn't have
been chemistry without
you. I would never
have made it through Spanish
if it weren't for you and
i history would have been
just plain history without you.
it weren't for your
friends and mine in
Lucity. You're a great and
humorous (looking?) kid
Good luck
Doug B.

Randy,
You get my vote as the best sophomore in the great school of [illegible] Except That's not a slightly given compliment either You're swelling in manner and action and I hope you become a success after those two more long years in high school I'll be watching for you to break the school record in the mile and I wish you the best of luck

Sincerely,
Mark Johnson

You asked for some very intelligent [illegible] to write something very [illegible]

Fred

Randy,
Had fun with you this year hope to see ya this summer. See you around

Randolph

Have a great [illegible]
December but not
too much.
Bob

Jim

Hi Randy,
Say, it was nice
to play with you
could get along better.
You're a nice kid to know
and it's been fun
knowing you.
See ya,
Lynn

Randy,

Will we ever forget History or English class? I can't! I Maybe we can be lucky again next year, huh?

Jayne

(Randy)?

3rd hour Chem. wouldn't
3rd hour Chem. without
have been 3rd hour Chem. wouldn't learn
a "Killer Row". But I didn't learn anything
a lot but it was fun (sometimes)
let you
this summer. Pick it up
Pick it up

Hi Randy,
Well next fun all through
the school year with
you, never got in
such trouble as
you. Good luck in
future.
Tom Prewitt

Hi Randy!
Thanks for letting me read
your book on the way to La Crosse.
Too bad you had to be in my
History class (for me). You'll
be able to ~~beat~~ win in the mile as
soon as Kramer graduates.
Bill

Hi Randy,
Good luck to
a good(?) kid. Have
fun this summer.
Susan

Hi Randy, I had
fun in English.
Have fun this
summer + take
it easy.
Mac

Hi Randy,
Good luck in
the two years
left of (jail) school.
Have fun this
summer.

Hi Randy,
It was a lot of fun having you in my classes this year (English especially) I suppose that I have to tell you that I have a bad crush on you. She talks about you all day long. (What a topic) It's that! Have fun this summer and I'll see you next year.

DEDICATION

Student government, a very important part of our education, has risen to greater prominence with the arrival of Mr. Blank at Everest.

As Student Council Advisor, he has stimulated student interest in the operations of a governing body.

With sincere admiration and respect for his great contribution to student government, we, the Class of 1966 dedicate our Everette to Mr. Russell Blank.

ADMINISTRATION AND FACULTY

PRINCIPAL

MR. DONALD W. SHEBUSKI

Mr. Donald Shebuski was previously principal at Lakeland High School in Minocqua, Wisconsin before joining us at D. C. Everest this past year.

In 1951, he entered Nebraska State Teacher's College, but in February, 1952 he was drafted into the army. He first served in Korea and then in Japan. Upon his being discharged from the army in January, 1954, he again entered college in September, this time choosing the University of Omaha, where he obtained his bachelor's, and later his master's degree.

He played football all through college, as a guard and made all conference and all-state.

Mr. Shebuski has three children ages twelve, eight and five. His hobbies are hunting, fishing, and hi-fi. He says that he likes to work with young people and enjoys seeing them taking advantage of their opportunities.

SENIORS

SENIOR CLASS OFFICERS

Too often forgotten is the fact that a high school class, though often spoken of as a whole, is made up of many strikingly different individuals --each with his own likes and dislikes, hopes and fears, successes and failures. Within this year's graduating class we are proud to claim an exceptional number of fascinating and diversified personalities. We find in our midst people whose talents and achievements truly range the entire spectrum of possibilities; we have the athlete and the painter, the scientist and the musician, the mechanic and the orator, the comedian and the scholar--all these and many more.

As our high school years draw to a close, we of the Class of 1966 can pause to congratulate ourselves upon our past accomplishments; but more important than that, we can all look forward with confidence to the future--a world which is limited only by ourselves.

A CAPELLA

The members of this choir are chosen each spring after having auditioned for the director.

Public appearances include the Christmas concert at school and the same concert presented at the First American National Bank. The spring schedule involves the choir in the concert events contest, vocal and instrumental concert and the graduation ceremonies.

A letter is given to all seniors who have participated in the choir and the other vocal classes for a total of four years.

ROW THREE: Donna Dean, Sue Baumann, Candy Kelly, Sandy Sowinski, Kathy Staszek. ROW FOUR: Paulette Meyer, Jean Lund, Carilyn Walters.

SONG SPINNERS

The members of this vocal organization have been chosen by their director. Each girl has one or more auditions and must meet certain requirements to be a qualified member.

The Christmas season is a strenuous part of the year, involving the girls in several concerts in the Schofield and Wausau areas.

The months of March, April and May consist of participation in contest, and community appearances in conjunction with many school activities. With such a schedule, it is necessary that the girls sacrifice a great many of their Saturdays and their evenings to the hopeful success of the organization.

BADGER STATE

Badger State is a citizenship training program sponsored by the American Legion and its auxiliary; its goal is to educate Wisconsin youth in the duties, privileges, rights, and responsibilities of American citizenship. It is divided into two separate programs: Badger Boys State and Badger Girls State (each of which has a counterpart in every state in the nation).

The fundamental premise in the Badger State program is that of learning by doing. Each representative becomes a citizen in a 51st state which, as much as possible, is based upon the mechanics of the government of the State of Wisconsin. Badger State is a true democracy where the citizens elect their own state, county, and municipal officials, from the governor on down. Each person has a definite part in the functioning of the state, and each finds himself caught up in a whirlwind of activity from the moment he arrives until the very end of the fast-paced week.

Approximately 1400 of Wisconsin's finest young men and women—each chosen for his leadership, courage, dependability, loyalty, and good sportsmanship—meet to share these seven days of unparalleled enjoyment and opportunity. In addition to a multitude of governmental activities, they participate in music organizations, athletic contests, and talent shows; each group also publishes a daily newspaper.

In short, Badger State is an outstanding program of public service and a truly unforgettable experience for each and every individual fortunate enough to take part in it.

DEBATE

ROW ONE: Bonnie Van Lieshout, Kathy McNamara, Keith Martin, Steven Schmidtke, Joe Larson, Martha Warpehoski, Ann Sternberg, Mrs. Stanke, Advisor. ROW TWO: Harvey Kurtz, Jeff Geiger, David Giesler, Jim Werner, Douglas Tietz, Tom Altman, Kerry Lintner.

One of the challenges of a competitive, realistic society is the ability to analyze a situation, take a stand on the issues, and try to convince others to accept your conclusions.

Debate offers students a challenging and unique learning experience of this sort. Each year a controversial proposal is presented to high schools in the state. Students who wish to debate must devote time and effort to the study of this proposal, and develop their views on it.

The debate squad travels to tournaments held throughout the state to debate with students of other schools. Here, when they must face other people with opposing views, the debaters put their argumentative ability to the test. In a series of timed speeches they attempt to "convince" the judge, who decides which are the better debaters. It certainly gives the debaters a sense of achievement when they come home from a tournament with a high rating—especially if a trophy is included.

The debate team at work.

STUDENT COUNCIL

The Student Council this year worked at revising the constitution to enable it to work more efficiently. A dress code in the form of suggestions was also set up. In addition to this the council was in charge of Homecoming as well as basketball hops.

Part of the Student Council funds will be used for scholarships to worthy senior graduates.

ROW FOUR: Tim Luetschwager, Gary Kaminski, David Werner, Casey Hendersen, Douglas Tietz, Larry Driscoll, Gordy Kosobucki, Jim Werner, Norman Rozek, Doug Shidell, Jeff Geiger, Fred Decker, Harvey Kurtz.

The Spanish Club of D. C. Everest High School is a club whose purpose is to promote a friendly interest and appreciation of Spanish —the language and the civilization.

The person desiring membership in the Spanish Club must be a current student of Spanish and a "B" average must be maintained in Spanish by the student. Also, any student who has completed a study of Spanish and has been an active member of Spanish Club may remain in the club as an Honorary member.

The Spanish Club annually sponsors the Twirp Dance—a girl-ask-boy dance—the theme is centered on something Hispanic. Also a Christmas party, initiation and Banquet are held every year.

The members in Spanish Club have fun and learn such things as Spanish songs, dances, customs, etc.

This year the club officers were: President, Nancy Baranowski; Vice-President, Lou Ann Duranceau; Secretary, Harvey Kurtz.

ROW FOUR: John Payne, David Giesler, John Kosobucki, John Kent, Ken Juedes, Dan Van Mourik, Del Reeds, John Krueger.

The German name for the club is "der deutsches verein". Its purpose is to promote a friendly interest and appreciation of German—both of the civilization and language.

To be eligible for membership in the German Club, a person must have completed one and one half semesters of the first year study of German, and have expressed a desire to take a second year of German the following year. This, of course, includes any person who is taking the second year of German, or who has completed this study.

The German Club is relatively new and therefore has not sponsored either a dance or a sale of any sort. However, its main objective this year is to start a scholarship fund for some student wishing to go on to study German.

OFFICERS: David Giesler, Vice-President; Tom Altman, President; Donna Wolfe, Secretary; Dan Van Mourik, Treasurer.

SEA SCOUT SHIPS

D. C. Everest has three active Sea Scout Ships. This organization is part of the explorer scout program B. S. A. In 1965, the D. C. Ship's received a national rating of "National Flagship". This is the first time this honor has been won by any scout organization in the Samoset Council. It was also the only "Flagship" rating given in region seven, which takes in four mid-western states.

The local program is built around a search and rescue program through the Marathon County Sheriff's Department. It also has a sailing program and owns three sail boats. In 1965 the ships were also used by the Wisconsin Conservation Department and appeared in the State American Legion Parade at Waukesha.

The units are sponsored by Roy Drew American Legion Post of Rothschild and have a compliment of six officer, three junior grade officers, and six men.

F.H.A. member demonstrates how to pack a suitcase.

Anyone who has had at least one year of home economics, or is currently taking the course is eligible for membership in the F.H.A. Some of the projects these girls participate in are—cookbook sales, providing a food basket for a needy family at Christmas, and participating in the state convention and demonstration program. The group also is sponsoring a Jamaican foreign child, a project from the previous year.

The purposes of F.H.A. are to promote and further interest in homemaking and home economics; work for worthy democracy and leadership in family, home and community; to promote international good will; and provide wholesome recreation.

In general, F.H.A. is an enjoyable and rewarding experience in preparing for a bright and promising future as a homemaker.

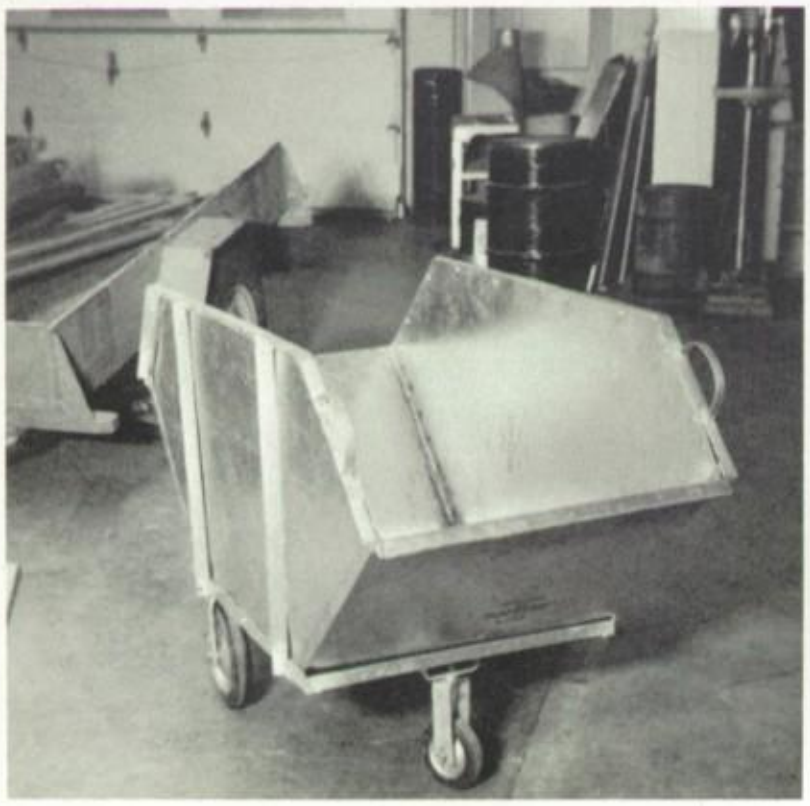
An F.F.A. project.



The Future Farmers of America, or FFA as it is commonly known, is the national organization for boys studying vocational agriculture in public secondary schools under the provisions of the National Vocational Education Acts.

As an integral part of the program of vocational education in Agriculture in the public school system of America, the F.F.A. has become well known in recent years. No national student organization enjoys greater freedom of self-government under adult counsel and guidance than the F.F.A.

The F.F.A. is a non-profit, non-political, non-sectarian rural youth organization, designed to take its place along with other organizations striving for the development of leadership, the building of a more permanent agriculture, and the improvement of country life.

The F.F.A. is an intra-curriculum—vocational agriculture. Among other things, members learn through active participation how to conduct and take part in a public meeting; to speak in public; to buy and sell cooperatively; to solve their problems; to finance themselves; and to assume civic responsibility. The foundation upon which the F.F.A. organization is built, includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism.

Young Democrats is an organization which furnishes students with a vehicle for leadership, experience, and political training. It stimulates an active interest in governmental affairs through first-hand introduction and participation in them. Any student who is interested in the workings of his government and his political affairs may join.

By supporting local, state, and national candidates in their respective elections, the club serves as a vital link in keeping students informed of important issues confronting our politically-minded society.

YOUNG REPUBLICANS

ROW ONE: Linda Zahrt, Marilyn Van Vuren, Rita Fraaza, Fred Decker, Bruce Hofmann, Jack Roberts, Terry Altman. ROW FOUR: Casey Henderson, Jeff Chandler, Cathy Gausmann, Mark Gresens, Mr. Greason, Advisor, John Payne, Dan Christiansen, Larry Rowan, Jack Helding.

The D.C. Everest Young Republican Club provides an opportunity for students to better understand American government and the political processes that make it succeed. Membership creates an awareness of daily political life in the community, state and nation.

Young Republicans accept the major goals of the Republican Party but are encouraged to engage in debate among themselves and with other groups. Members may work in behalf of state or local candidates in both primary and general elections.

During election years the club is especially active. Members work with local candidates and do much of the necessary footwork during the campaign.

Several members attended the "Thank You, Tom" dinner in Wausau which featured House Minority leader Gerald Ford as the main speaker. Jack Roberts was one of two D.C. Everest students to participate in the district-wide conference on "Great Issues" which was arranged by Representative Melvin R. Laird.

NATIONAL HONOR SOCIETY

The National Honor Society sponsored a "Book Fair."

The National Honor Society gives recognition to those students who have shown high scholastic ability and also possess the qualities of character, leadership, and service.

The society purchased a Wisconsin State Flag which it donated to the school. Members served the school throughout the year by ushering for various school functions. The book fair was held again this year, the funds to go to some worthwhile project.

The officers for the year were: Tom Altman, President; David Giesler, Vice-President; Betty Tabaka, Secretary; Mary Abel, Treasurer.

The D. C. Everest Science Club consists of about 20 members who gather twice monthly to study science and work on science projects. Although the club has existed for some time, this was the first year it has been formally organized.

The purpose of the club is to promote an interest in science, and to allow members to use equipment and supplies not ordinarily available. Anyone who is interested in science and who will regularly attend meetings may join.

The members generally work on projects in their field of interest, and periodically give presentations to the club on the finished projects.

In the spring, members may submit qualified projects to the Science Fair sponsored by the Wisconsin Junior Academy of Science at Stevens Point.

Forensics is designed to encourage students to develop their speaking and oral reading abilities. Students may try their skill in one of a variety of areas—original or non-original oratory, public address, four minute speech, declamation, interpretive reading of poetry or prose, and play reading. Anyone may enter a forensic contest provided he agrees to practice with his coach. Students have an opportunity to compete in local, sub-district, district, and state competition. Students in interscholastic competition receive participation certificates. Those who have participated for three years receive letters, for four years-a medal.

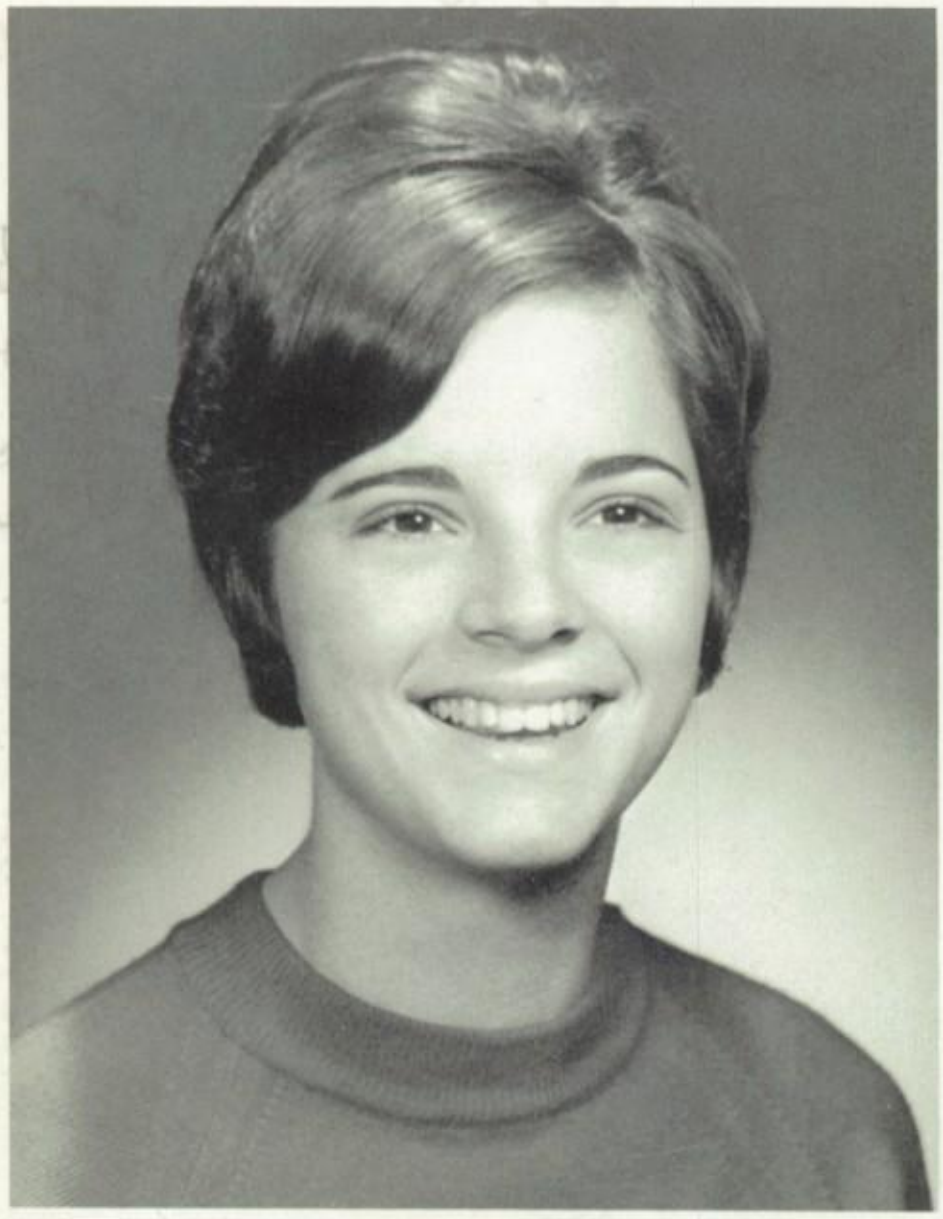
ROW FOUR: Gary Desotelle, John Voght, Lorin Severt, Dan Pregont, Randy Strachan, Scott Helding, Thomas Webster.

The main purposes of the "E" Club are: to promote greater participation among students in athletics; to help effect better sportsmanship in competition; and to create enthusiasm for further education. The clubs motto is: "Better students through athletics."

To be a member of the club, a student must possess a major letter in any sport and he must keep the training rules set by the club.

The officers for the year were: Jerry Gerstl, President; Dan Kennedy, Vice-President; Mark Johnson, Secretary; Mike Narlock, Treasurer; Larry Driscoll, Reporter.

AFS STUDENT



MARIA VALENTE

When I received the notice I'd come to the United States, I was really scared. I didn't know how will be my life here, my family, friends and school. I wanted so bad to make a lot of friends, but it seemed hard to me, because we couldn't understand each other.

But, after I came, met my family and started getting acquainted with my new friends, I realized that I was at home again. I do know that now I have here big families, including my friends: One is in Brazil, another is here in U.S.

In Brazil, there are 5 persons in my family. My dad, who works for our federal government, my mom, who is a housewife, one brother, who is 23 years old, one sister 19 years old and I.

I was a senior in Brazil and I was studying to be an elementary teacher. Like the majority of teenagers I like music, parties, sports, to make friends, to travel and learn new and different things. Of course I don't like lies, sadness, snobby people, in short, everything that can hurt another person.

Here in the U.S. I lived with the Stone family, and "dad", "mom", Jill, Kathy, Pam, and my little "brother", Mike, couldn't be nicer than they were. I felt myself exactly like at home and I really think that there are no words capable to express how much I like them and I thank them.

As a Senior at D. C. Everest I learned to love and cheer for our great Evergreen teams and to me there is no school better than ours.

I didn't find too many differences in the Brazilian way of life and the American one. It can be understood if we remember that we both are people who want to give the best of our lives in order to get the best.

The friendship that I found in each of you made my life here the most wonderful thing I ever had and I'm sure that I'll never forget anything that I learned or the friends I made.

The American Field Service, foreign exchange program, is now in its second year at Everest. It aims to promote student interest in the foreign exchange program as well as to help raise part of the funds necessary to bring a foreign student to Everest. Tag days and a used book sale enabled the club to contribute its share of money, and this along with money raised by the adult chapter and contributions from various community organizations brought Maria Eugenia Valente, our first exchange student, to Everest. This year we again worked to allow a student to come next year. Officers for the first semester were: Kermit Traska, President; Betty Tabaka, Secretary.

"Paradise of the Sea" was the theme chosen by the 1965 Junior Class for their prom, held on April 21. Couples attending enjoyed dancing from eight p.m. until midnight in an atmosphere of underwater fantasy of starfish, mossy plants, and other sea life. Sid Kyler's Orchestra provided the music.

The Junior Class chose as their reigning royalty King Robert Alexejun and Queen Judy Adams. Composing their court were last year's royal couple, Ronald Sandquist and Laurie Wolff; Jerry Shidell and Marilyn Zahrt, seniors; Larry Driscoll and Karen Behn, juniors; and Dick Nicolaison and Linda Goertz, sophomores.

GRADUATION - 1965

D. C. Everest High School's 1965 graduating class was the largest ever, with 215 seniors receiving diplomas.

Commencement ceremonies were held on June 1, 1965, and included an invocation by the Reverend Glen Siferd of Highland Methodist church, and a commencement address by Dr. Glen Eye, chairman of the Department of Educational Administration at the University of Wisconsin. After the address, diplomas were presented and a benediction was given by the Reverend Earl P. Zimmerman of Mt. Calvary Lutheran church.

The D. C. Everest Band and Concert Choir presented the music selections.

Homecoming this year was the best that we have had in a long time. The pep and enthusiasm that the students showed was tremendous. I've always been excited during this week of many events. There is always so much school spirit, and it really makes you feel as though your school is the greatest. (Which of course it is.)

This year was a special Homecoming for me, made possible by you. Without the help of the student body, this homecoming would not have been possible. It was special because new and great ideas were brought forth. We broke away from the old traditional ways of running this week and started a brand-new trend. At the game our team had a stroke of bad luck, but through no fault of student backing. I know that next year, your spirit to support your team will be just as great, and next year YOU'LL WIN! Thank you so very much for choosing me to reign as your 1965 Homecoming Queen—and thanks for making this a wonderful year.

On the evening of October 13, the Everest gym was transformed into a carnival atmosphere for the annual Harvest Carnival. Home rooms sponsored innumerable games, delicious treats, and movies. A new attraction was a talent show featuring Everest students. The Harvest Carnival's evening entertainment was ended with a school dance.

The Parent Teachers Association directs the student body in the organization of the event. The profits received this year will be used for scholarships and registration fees for students that attend clinics.

ASSEMBLY PROGRAMS

At various times throughout the school year, assembly programs are presented to the entire student body. On this page are shown two representative assembly programs. Our first example is that of Mr. Kenneth Goodman who presented a program of classical, semi-classical, and popular music on the organ. Next is David Liner who used a plastic ball to demonstrate how radioactive materials are found. This program was under the guidance of the Oak Ridge Institute of Nuclear Studies.

The topics of the assembly programs varied from an Evangelist to musical productions of varied kinds to scientificly based programs.

VARSITY FOOTBALL

The 1965 D. C. Everest football team closed the season with a record of five wins, two loses, and one tie. The Evergreens were ranked third in the conference.

Good attendance at practice helped the season a great deal. The juniors pushed the seniors which helped both to give all their energy to the team. The offensive attack wasn't as versatile as hoped, but the defense helped to cover some of the weak points. There were an unusual number of scorers, which definitely helped.

It has been proven this year that records don't always create a true image.

A spirited team, under the direction of Coach Bill Kuse, gave a fine performance despite such handicaps as, lack of experience and height.

They broke loose from a three year conference losing streak and battled hard throughout the year. A good combination of team spirit, sportsmanship and endless desire were shown by all. Literally the team found themselves on the short end concerning victories, but a grand style of basketball was truly displayed.

Everest fought an uphill battle against inexperience as only two veterans were in the top seven runners. With the experience gained and the enthusiasm the boys have, next year could be a better year. Leading runners on the team were Randy Strachan and Roger Richardson. The harriers started the year very strong with three straight victories (an Everest record) but slowed down in the meets with a greater number of teams.

TRACK

The 1965 track team had 20 lettermen. Their success was probably due to the fact that they had a very well balanced team. It is not always necessary to come in first in every division. It is depth that really wins the trophies. Sometimes it is necessary to come in second, third, or even fifth to be able to complete the job.

They had several outstanding players: Peterson, school records in discus and shot; Holt, one of the best middle distance runners in the area; Marotz, good 440 runner. Bob Peterson was the only Everest player to go to state.

Mike Narlock makes it over in the pole vault.

BASEBALL

The season as a whole was rather dismal and disappointing. The team could not put a pitching and defensive game together along with scoring. At times they had excellent pitching from Wendorf, Woznicki, and Schoenfeldt, but the team failed to back them up in the field. When a good pitching game was put together with a good defensive game, the offense fell off.

Szews was the leading hitter on the ball club with .368, leading in the number of hits, RBI's and runs scored. Schoenfeldt pitched the lone win and looked good in many games on the mound. Woznicki and Wendorf also sparked the club.

WRESTLING COACHES—Mr. Meurett, Mr. Curtin

Victory was the story of the Evergreens this year, with a record of 8-0 in dual meets and another championship in the conference.

Built from 55 boys including 8 lettermen, a quick and experienced team was centered around the great coaching of Pat Curtin and Assistant Gerald Meurett.

The general outcome of the season was due to a good team effort and consistent wins by Gordon Geurink, Bill Prewitt, Tom Webster, and team captains Larry Bembenek and Jerry Gerstl.

The main victories were won over Wisconsin Rapids, Antigo, and Marshfield with the deciding factors not only quick reactions and experience, but also determination and dedication.

Seeing that both of us are going to be chemical majors I feel this page is quite appropriate. Even though we had some fun times in Chem. (the wash bottles etc.) I feel we didn't learn a heck of a lot. To a good kid betta luck.

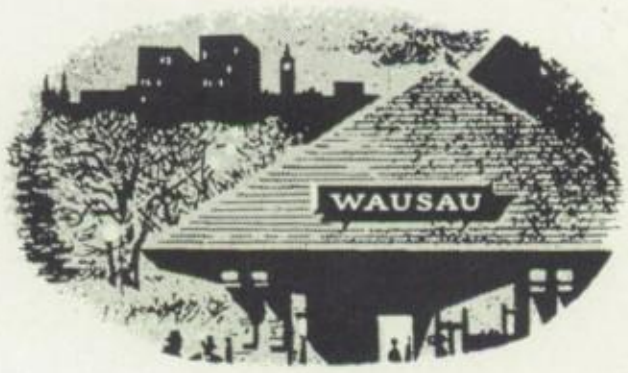
YOU'VE GRADUATED! NOW WHAT?

Maybe you're going on to college, or business school* . . . . . But if you'd like to stay in Wausau -- live and work here -- why not give some thought to Employers Mutuals? Better still, stop in and see our personnel people. They're always looking for new, qualified employees to keep up with our ever-growing business.

You'll find lots of your friends here -- ask them how they like working for Employers Mutuals. We're known in our famous national ads as "good people to do business with" . . . we think you'll find us good people to work with, too.



Employers Mutuals of Wausau

**Good for you! Come and see us when you finish; we hire many college and business school graduates every year.*

Dear Randy,
I had you in
Art last year
classes together. I like
last years algebra. It's
sure had fun didn't
we hope to see
you around this summer.
Maybe at Pike Lake?

Randy!
To a kid that really
Love Chemistry, and the
good old teacher "Melvin",
See you this summer!!!

John
Schulta

In closing, we wish to thank all who helped make this annual possible: Mr. Wunrow, our advisor; Mr. Payne, our professional photographer; and all contributing staff members. A special thanks to Diane Schoen, Lynn Urban, Alleen Delikowski, Kathy Toth, Bev Kersten, Nancy Laska, Chris Schoen, and Linda Goertz.

CO-EDITORS

Randy
I feel to you are almost as good
I as I am. We had fun this
year. Don't let it happen
again. Have Great(?). See you
later. Sammey, You peasant,
I will teach you
how to swim etc.
don't do anything I
wouldn't

STUDENTS OF EVEREST:

To you and those who follow you, we hope that Everest will mean as much as it has meant to us.

Continue to respect its purpose, keep its ideals, share in its traditions, increase its spirit, honor its name, esteem its goal, and obtain the utmost satisfaction from your years here.

Another *Everette* has reached its conclusion; another class of seniors has graduated; and another year at Everest has come to an end. We graduates leave with our heads high and our hearts full, sure that Everest will always remain a school to be proud of.

THE CLASS OF 1966

How they hangin'?!?!?
If you keep workin' at Karate, you might turn out to be something. Even though you're only a second rate X-country runner I'll still wish you the best of luck.

The Kelp

Hi Randy,
remember me from English? You and perch 2 Steve make a good trio.
Good luck in the future,
a friend
Connie Dassler

Randy B.
Didn't have you in many classes this year but I want to wish you the best of luck and I hope you have lots of fun this summer.
Randy B.

Randy - Had fun in history - Hope I get in your classes next year - Best of luck + have fun over the summer -

Joe

"Randy"

Sure am glad I had you in Chemistry class because then I didnt feel the stupidest in the class. And as for as English well I don't want to talk about it. But we really had fun even though it ment getting wet or full of Rusty. What a year, hope were together in English again next year. See you this Summer and Probably in Chimistry again next year "Don"

Randy
It's been swell having you in class even that we did get started kinda late here a Except but it's been fun. Hope you have a full-of-a summer and good luck too. Ha-Ha

Randy,
Keep playing your
flute and dreaming and
you'll climb up to the
high standards someday (Ha, Ha, Ha)
Terry

Hi Randy the track days
were so good this year
it's just a privilege
your annual.
this summer
Have fun
